Facing an unplanned pregnancy can be a scary, stressful and confusing time. But it is important to know you have choices and that we're here to help.

### How can LSM/NJ's Adoption Program help me?

Our staff provides birthmothers and birthfathers with one-on-one, non-coercive, non-judgmental, confidential counseling at **no cost**. A licensed social worker will meet with you to discuss your available options and assist you with decision making, parenting resources, adoption planning, and post-adoption counseling. Your counselor will provide you with the factual information necessary to make the best decision for you and your child – whatever that decision may be.

### How can I find out more?
