

THE HEALTHCARE PROGRAM FOR SENIORS LIVING AT HOME

At Lutheran Senior LIFE at Jersey City, nothing is more important to us than your health.

Our goal is simply to make life easier for aging individuals and their families. The individualized approach of our on-site interdisciplinary healthcare team puts our participants' needs first every day so that they can remain living at home. We offer physical therapy, hot meals, homecare, physician check-ups, as well as door-through-door van transportation to and from the center.

Finally, The Program That Addresses *All Your Needs, All In One Place.*
