In memory of a loved one...

Upon a death of a loved one you may choose to extend sympathy to family & friends with a tribute gift to Lutheran Social Ministries of New Jersey - Crane's Mill. The Development Office acknowledges the contributions with a letter & promptly notifies the family of the deceased that thoughtful tributes were received (a gift amount is not revealed).

A living tribute

Tribute gifts are particularly special because in addition to honoring a friend or loved one, your gift also helps Lutheran Social Ministries of New Jersey - Crane's Mill expand and improve its programs to benefit our entire community leaving a lasting legacy. As a donor, you can specify a particular program to benefit from the support.

The Tree of Life

A seed was planted...

The Tree of Life memorial was originally dedicated to the memory of Joan A. Wiltenburg, wife of the Rev. Robert Wiltenburg, former administrator of the Lutheran Home at Jersey City, & was displayed in that Home until the facility closed in 1993.

Seed money from the endowment created by the Tree of Life was used to begin development of the Crane's Mill community.

And will continue to grow...

It is from this strong heritage that the Tree of Life will continue to be nurtured into the future.

By contributing to this lasting memorial, you have the opportunity to commemorate those special times or people in your life.

Your gift may be designated to one of the Crane's Mill funds, which have been established to provide compassionate care & support to those in need.

All gifts will be acknowledged, with notice to the donor & the person(s) chosen to be honored or to the family of the person(s) memorialized.

The Good Samaritan Fund

This fund will be used to provide direct assistance to those in crisis or with special needs.

Contributions are placed in the Lutheran Social Ministries of New Jersey - Crane's Mill endowment fund & the interest earned may be used to support residents who lack financial resources, who have outlived their income or need increased levels of care which they are unable to afford.
