Haiti Earthquake Relief

Dear sisters and brothers in Christ,

Last night a magnitude 7.0 earthquake rocked the island country of Haiti, primarily impacting the capital, Port-au-Prince.

Offices, hotels, houses and shops have collapsed. The presidential palace is in ruins and many churches have been destroyed. Hospitals are overflowing and the search for survivors is intense.

The streets of Haiti are filled with people in shock and searching for loved ones among the rubble.

[Your help is needed today](#) to bring immediate relief and continued hope for our brothers and sisters in Haiti. About 3 million lives, one-third of Haiti's population, are affected by this earthquake.

Already one of the poorest countries in the world (70 percent of Haiti's population lives in extreme poverty), this catastrophe will exacerbate the suffering felt by many already living with hunger and poverty.

ELCA Disaster Response is already working through long-standing partnerships on the ground to provide emergency food, water, shelter and medical supplies.
