PROGRAM ACCESSIBILITY STATEMENT
Notice to all Applicants: Options for Applicants with Physical Challenges

This property is managed by Lutheran Social Ministries of New Jersey. We provide affordable housing to senior citizens. We are not permitted to discriminate against applicants or residents on the basis of their race, color, religion, sex, national origin, handicap or disability, or familial status. In addition, we have a legal requirement to provide ‘reasonable accommodations’ to applicants and residents if they or any family members have a physical challenge.

A Reasonable Accommodation is some modification or change that we can make to the rules or procedures or to the structure of the property that will assist an otherwise eligible applicant or resident with a disability to take advantage of the program. Examples of reasonable accommodations and structural modifications include but are not limited to:

- Installing strobe-type flashing light smoke detectors in an apartment for a family with a hearing impaired member
- Making large type documents or a reader available to a vision impaired applicant during the application process
- Making a sign language interpreter available to a hearing impaired applicant during the interview
- Permitting an outside agency to assist an applicant with a disability to meet the property’s applicant screening criteria
- Making alterations to a unit so it could be used by a family with a wheelchair

An applicant or resident family that has a member with a disability must still be able to meet the essential terms of the lease—they must be able to pay rent, to care for their apartment, to report required information to the manager, avoid disturbing their neighbors, etc., but there is no requirement that they be able to do these things without assistance.

If you, or a member of your family, have a physical challenge and you might need or want a reasonable accommodation, you may request it at any time in the application process or after admission. This is up to you. If you would prefer not to discuss your situation with management, that is your right.
